9. Do you have issues you want to bring to the AARC's attention? Do you need help in other areas related to accounting and auditing that we may not have discussed?

Agriculture Improve the accuracy and time it takes for accounting transactions to be posted. Incorporate budget into accounting reports.

Improve the time it takes to distribute the FAMIS reports.

Bus, Econ Dev & Tour DATAMART: Recommendations for enhancements will be submitted to Wayne Horie.

DBEDT - HCDA None.

DBEDT - HTA HTA does not have all the resources to take advantage of the progress DAGS have done. Your WEB page is great.

Land & Nat Resources None at this time.

DOT - Administration With the new WEB site on Comptroller's memoranda and price list, DAGS should use electronic notification of new memos, P.List changes.

DOT - Airports Monthly unaudited financial statements be programmed and generated from FAMIS. This would allow management to perform financial analysis.

Auditing staff support is greatly needed to perform audits of various revenue sources (landing fees) due to the material dollar amounts generated at the

airport.

Blank

DOT - Harbors There are areas such as salary overpayments, especially as it relates to employees on workers' compensation, in which two depts, DAGS and DHRD,

are involved. Policies and procedures should be coordinated with both depts. Also, depts should also be consulted before policies/procedures are issued

to make sure they make sense and can be implemented.

a response. Federal funds and State funds were programmed in FY03 but State funds have lapsed.

9. Do you have issues you want to bring to the AARC's attention? Do you need help in other areas related to accounting and auditing that we may not have discussed?

Human Services Budget execution policy coordination between B&F and DAGS s/b improved for clearer and consistent application. State accounting and fiscal forms should be

computerized with capability of laser printing the forms by the user. Implement enhancements to payroll system that would allow users to access information

including cumulative totals, on-line.

DHS - HCDCH

Labor & Indus Relations

Acctg & General Services Integrated CIP accounting modules. Lower level funds control (allow subaccounts within programs). On-line report availability. On-line input of transactions and

available balances. Edits for invalid object codes and field contents (alpha versus numeric).

Attorney General Blank

Budget & Finance Issuance of guidelines on implementation of fiscal controls. Overview of the CAFR and role of departments in its preparation. Information that should be maintained

to ease Auditor's review and preparation. Plans for payroll system upgrade. Plans for fixed asset system upgrade (including inventory management).

DB&F - ERS No assistance is needed at this time.

DB&F - EUTF

Human Resources Dev The items have been addressed in #5.

Governor Not at this time. Specific situations and/or comments will be submitted as they arise.

Comm & Cons Affairs Blank

Lt. Governor

Taxation No issues at this time.

Public Safety The time and attendance project (KRONOS) what is the status? PSD believes the need to automate time and attendance statewide should be a high priority

with DAGS and DHRD.
